Dear Mr TEE CHUAN JI,

On behalf of the Board of Examiners, I am delighted to congratulate you on your outstanding performance in the assessment for **Introduction to Java and object-oriented programming** and **Introduction to computing and the internet.** Studying for a University of London degree is challenging, a real test of ability and application as well as personal determination. You scored the highest mark of all candidates who took this course in 2018-19, which is a splendid achievement.

With very best wishes,

Dr Maggie Cooper
